Call for Applicants
The Mentorship Committee has an immediate opening for a new team member. Apply to join the FeMS leadership team!

FeMS Event at MSACL 2022
About 150 FeMS and friends enjoyed dinner, guest speaker Karen Wickre, and complimentary professional headshots with a sunset view overlooking the Bay. This event took place on April 6, 2022, and was made possible by our sponsor SCIEX. A portion of this sponsorship also helps fund the FeMS Empowerment Award program!
